24 UNITS]; D --> F[CERTIFICATE];
```

The flowchart illustrates the progression of the College Preparatory Program. It begins with a 'COLLEGE PREPARATORY DIPLOMA WITH DISTINCTION' (24 UNITS) and a 'TECHNOLOGY/CAREER PREPARATORY WITH DISTINCTION' (24 UNITS) at the top. Below these are two intermediate diplomas: 'COLLEGE PREPARATORY DIPLOMA' (22 UNITS) and 'TECHNOLOGY/CAREER PREPARATORY DIPLOMA' (22 UNITS). The 'COLLEGE PREPARATORY DIPLOMA' leads to both the 'COLLEGE PREPARATORY DIPLOMA WITH DISTINCTION' and the 'TECHNOLOGY/CAREER PREPARATORY DIPLOMA'. The 'TECHNOLOGY/CAREER PREPARATORY DIPLOMA' leads to both the 'TECHNOLOGY/CAREER PREPARATORY WITH DISTINCTION' and the 'CERTIFICATE'. The 'CERTIFICATE' is the final outcome of the program.
